Puppy Love on Saturn's Rings

My nights on Pluto grew so cold
The moons of Neptune turned me blue
I flew through Saturn's rings of gold
And came down with a crush on you

Until we met I never knew
I'd find such fun in silly things
Like lollipops to share with you
In puppy love on Saturn's rings

*It's puppy love on Saturn's rings
That keeps me smiling all day long
There's no end to the joy it brings
Without it I can't get along
It's puppy love on Saturn's rings
There's no end to the joy it brings
I feel as though my heart has wings
It's puppy love on Saturn's rings*

Instrumental

I know I'll never fly away
When we're together heaven sings
Right by your side I'll always stay
In puppy love on Saturn's rings

*It's puppy love on Saturn's rings
That keeps me smiling all day long
There's no end to the joy it brings
Without it I can't get along
It's puppy love on Saturn's rings
There's no end to the joy it brings
I feel as though my heart has wings
It's puppy love on Saturn's rings*

When we're together heaven sings
It's puppy love on Saturn's rings
